

# Liam's Life Style Guide

V1.0 - Updated, November 2016

The following PDF should be used as a guideline to using logos, colors and fonts for the Liam's Life Foundation. The objects in this document are in vector format and can be grabbed for use (maintaining proportions) anywhere, without compromising resolution.

The fonts being used (outlined below) can be downloaded at <http://google.com/fonts> for free under open source license.

Any questions regarding usage should be directed to [info@liamslife.org](mailto:info@liamslife.org)
